Representative Mark Born
Joint Committee on Finance, Co-Chair
Wisconsin State Capitol
PO Box 8952
Madison, WI 53708

Representative Born,

As you consider locations around the state to gather public input on the biannual budget, we would like to extend an invitation to you and the honorable members of the Joint Committee on Finance to hold a hearing at the Rhinelander School District's newest facility—the Hodag Dome.

The entire community would be honored to have the opportunity to see the committee in-person, listen to an update on the budget process, and be able to provide input and testimony on the proposed budget.

The Hodag Dome is the ideal location to hold a Public Hearing. At 128,000 square feet, the Dome provides plenty of space to socially distance and take proper COVID-19 preventative measures to ensure a safe experience for all attendees.

We hope you will consider our invitation as we are excited about the possibility of the Joint Finance Committee visiting the Northwoods. We look forward to your response.

Sincerely,

Representative Rob Swearingen
